2025 Review

- Goal for 2025: 11,718 vs **Actual: 13,976**
- 2,258 more Bibles and books were shared.
- 22 Localities reached their goal, and 14 surpassed online totals through personal distribution

Goal in 2026

In 2026, our goal is to give out 15,220 Bibles and books across Canada. We believe that the way to achieve this goal is first of all through much prayer locally & with other localities; secondly, the Lord will be able to bless us if we are all brought to the one accord locally & with other localities concerning this goal; in addition, we should have a proper attitude by being accountable to the Lord and to one another. May the Lord lead us concerning the propagation of His word throughout Canada!

BfC website update/replacement

- We look to increase our online presence this year.
- We expect an increase in our online orders when the saints will go out during the FIFA World Cup and through our Social media strategy. Therefore we will need a new, revamped and more robust website.

Second distribution center in the East

- With the expected increase of online orders this year, we are looking to offload some burden from our current distribution center in the West.
- With the setting up of a second distribution center in the East, we will also decrease the shipping expenses to shipments to the east of Canada.

Re-introduction of social media presence

- In order to support our distributions during the FIFA World Cup, we will be revamping our social media strategy and presence.
 - We are expecting this to help us reach more people online and with a resulting increase for the online orders.

Goal for FIFA World Cup 2026

Our goal during the FIFA World Cup is to give out 10,000 Bibles and ministry books in Vancouver and Toronto (5000-Vancouver; 5000-Toronto)

Prayer Burden

- Pray for all the fellowship & coordination.
- Pray for the application of all the permits & the opening up of the venues.
- Pray for the people's hearts to be ready.
- Pray that we would surpass our goal of distributing 10,000 Bibles and books (5,000 in Toronto and 5,000 in Vancouver) during the World Cup

Ministry Excerpt

“We should not think that man has a history but that God does not have a history. In this universe there are two histories: the history of man, the human history, and the history of God, the divine history. We may liken the history of man to the shell of a walnut and the history of God to the kernel within the shell.” (Life-study of Joel, msg. 6: The Universal History according to God's Economy—the Divine History Within the Human History)

“Actually, all world history is God's history. All the world affairs are not only the history of man but also the history of God. It depends on the vision you have. If you have only physical sight, you see the world situation, the human history. If you have the spiritual sight, the spiritual view, you can see Someone working behind the world situation. When we look at human history with the world situation, we must have another view, the biblical view with the spiritual insight.” (CWWL, 1993, vol. 1, "The Move of God in Man," ch. 4: In the Crucifixion of Christ (1))
